

Deutscher Verein

Monday 12.40-1.10pm

I will be running a **German** club for All Years on a Monday lunchtime in the Red Room starting Monday 19th September for 11 sessions, with the last session being on Monday 5th December (no session on 24th October - half term). No previous knowledge of the language is required.

I have a degree in French and German and am currently running a French club at the Infant School as well as helping with French in Year 6. I am passionate about languages and offer pre-school and primary programmes in both languages to local schools, nurseries and privately as well as workshops and tailored one to one sessions. The children are at an age where they absorb languages so much more readily than in later years.

The children will learn key themes in a variety of ways such as through games, songs, role play and food tasting, linking in to the MFL curriculum. The important thing is that learning a language becomes fun.

If your child is interested in taking part in German club, please complete the reply slip, returning it to the office together with your payment of £44 (cheques made payable to Mrs C.T.Tesselment). Places will be offered on a first come first serve basis and you will be notified directly if your child has a place.

Best wishes

Carolyn Tesselment
