

CHESS CLUB

WEDNESDAYS 3.30 – 4.30PM

Year 3 to Year 6

Players & Beginners – New Members Welcome

Chess is a game of infinite possibilities and has captured the imagination and attention of millions of players around the world since its invention. I look forward to welcoming returning club members and new members to our chess club after Easter.

Chess club returns on Wednesday 26th April 2017 starting at 3.30 pm until 4.30 pm. There will be 10 sessions and the cost is detailed below. **Please ensure form and payment are returned to the school office no later than Friday 21st April to secure your child's space.** The last session will be held on 5th July.

Why play chess? Yes it is fun. Yes it is a life time hobby. However chess is so much more. Studies show that pupils become better and sharper decision makers after regular play. Studies also show Mathematical skills can also improve with regular play. Concentration, speed of recall, the ability to identify patterns of attack and act on them are the qualities needed for success throughout life. Chess helps cultivate these skills.

During the club the children are taught various tactics, openings and endgames. Beginners are of course taught the basics before moving on to the above. The club also runs club tournaments where prizes for 1st, 2nd, 3rd and 4th place can be won. There are three tournaments held dependent on age and ability so there are many prizes to be won in the summer term.

Important

To cease training a child needs to give half a term's notice in writing from the parents to take effect at the end of any given term. The child also needs to continue to attend classes until the end of term. Remember too that should you wish to contact me my mobile number is 07989 156996.

CHESS CLUB – WALLACE FIELDS

I would like my child to take chess training and enclose payment of £35.00 (cheque payable to Miss D Casey).

Name of Child Year

Mobile Home Tele
