THE ADMINISTRATION OF PRESCRIPTION MEDICINE

Surrey County Council guidelines state that in most circumstances the administration of medicines is the responsibility of parents and they should be administered at home unless it is essential they are administered during the school day. If it is essential and you are not able to come into the school, a member of the School Office will administer the prescription medicine on your behalf but we would appreciate a telephone call at the time you require the medicine to be administered.

LIFTS TO SCHOOL EVENTS OUTSIDE SCHOOL

Due to safeguarding regulations school staff are unable to organise lift shares to external school events such as District Sports, that do not involve a coach. We have done for some events in the past but safeguarding rules are being tightened and parents are now required to arrange their own lifts amongst themselves. A list of these children involved will either be on the letter, or will be held by the office, so that you can communicate with each other to arrange your own lifts.

PROPS NEEDED FOR SCHOOL PRODUCTION

We are looking for the following props for the School Production: a blow up or proper **zimmer frame, a walking stick and a predominantly green large water gun**. If you are able to help please email Mrs. Clayton on JClayton@wallacefields-jun.surrey.sch.uk
