Chess is GREAT FUN AND NEW FRIENDS ARE MADE, but can also help to develop essential skills needed in everyday life such as:

IMPROVES CONCENTRATION AND MEMORY
DEVELOPS CRITICAL THINKING
IMPROVES PROBLEM SOLVING (STUDIES PROVE MATHS CAN IMPROVE BY PLAYING CHESS)
TEACHES CHILDREN TO WIN/ACCEPT DEFEAT GRACIOUSLY

During the term we will continue to develop chess skills and learn different tactics including various endings and checkmates. Beginners will of course learn the game from the beginning.

WIN PRIZES SUCH AS TROPHIES, MASCOTS AND BADGES!
Beginners and players will take part in a school chess tournament. There are prizes such as those above to be won and if enough points gained then, should your child wish, there is the opportunity to go and play children from other schools. There is a separate tournament for beginners and two player tournaments dependent on year groups.
