### NO BOOTS PLEASE

Boots are not permitted in school. If the weather is bad then children can wear boots and change into their school shoes when they arrive at school. For our uniform policy please go to our website: <https://www.wallacefields-jun.surrey.sch.uk/parents/uniform>

## TIMES TABLES

All children are expected to learn their times tables and we would encourage parents to help their child practice at home. Time tables are assessed regularly in class and certificates are awarded in whole school assembly as the children reach different levels – the certificates are Bronze, Silver, Gold and Platinum. **Year 4 will be formally tested on times tables from May 2020** – the Government are trialling the software with chosen schools this year, with the expectation that it will be rolled out nationally next year. There is more information about how we teach maths and useful links for parents to help at home on our website <https://www.wallacefields-jun.surrey.sch.uk/pupils/maths>. If your child needs it, focus particularly on the multiplication web site and Top marks for excellent games to support their learning of their multiplication tables. Thank you for your ongoing support. Mrs Crabb, Maths Lead.
