GROUND FORCE DAY

On Saturday nearly 50 parents and helpers worked on our Eco area and cleaned it up, painted fences, constructed things, brushed up, weeded, cleaned, dug up, planted and beautified the whole area. The transformation is amazing and the whole event ran very well. The Woodland Walk is cleared, the rubbish behind the PTA shed is gone, the greenhouse is (nearly) constructed and the compost bin is together, the pallets are cleared, new plants have been sown, fences painted.....it goes on. Thank you to all the brilliant parents, grandparents and children who gave up their Saturday to help.
